Exhibitor Testimonials

Bharat Fritz Werner Ltd. (BFW)

This was our first time participating in the INDUS-tech Expo, and the response we received exceeded all our expectations. We initially thought the response would be just okay, but it turned out to be outstanding. Thanks to INDUS-tech Expo for organizing such a successful event. Expos like these are essential for business growth and should be held more frequently. Overall, the experience was amazing.

Ace Micromatic Group

This was our first time participating in Kolkata, and the response was truly encouraging. We received a strong number of inquiries, with excellent footfall and active engagement from various industries. The overall experience highlighted the region's interest in advanced solutions. Exhibitions like this are vital for our growth in India, and we believe such platforms should be organized annually they bring value to both businesses and customers.

Macpower CNC

It felt great to be a part of the INDUS-tech Expo. After a long time, we found the perfect platform to showcase our company and products. We had a good number of customer visits at our stall, and we believe that through INDUS-tech Expo, our business will continue to grow. Overall, it was a great experience.

Yantrang CNC Automation Pvt. Ltd.

Our experience at INDUS TECH EXPO Kolkata was very positive. The overall response from visitors was encouraging, and we received a good number of inquiries throughout the event. It was a great opportunity to connect with potential customers and showcase our CNC automation solutions.

ADK Engineering & Solutions

Everything at the INDUS-tech Expo was well-organized — from visitors and footfall to business response, everything met our expectations. INDUS-tech truly fulfilled what we were hoping for in the Kolkata region. We received strong interest from customers right from the first day and generated quality leads. Overall, our experience was excellent.

PMT Machines Manufacture Automates

We at PMT Machines Manufacture Automates specialize in CNC Turning, CNC ID/OD Grinding, Surface Grinding, and Gear Hobbing. With over 65 years of experience in the industry, our manufacturing units are located in Pune and Halol. We proudly export our machines across all Indian states as well as internationally to the USA, Europe, Australia, and China.

Golden Machinery Corporation

Participating in INDUS TECH EXPO Kolkata was a very good experience for us. It was our first time at the expo, and while we were initially unsure, we decided to take a leap of faith—and it paid off. We brought our latest cutting machinery to the event, and it proved to be a strong launchpad for showcasing our innovations.

VT Tools

We felt really good being a part of the INDUS-tech Expo. As a Faridabad-based company, we didn't expect such a strong response, but the turnout and engagement truly met our expectations. It was a great opportunity to connect with potential clients and showcase our products. Overall, the expo was excellent, and we appreciate the platform it provided for businesses like ours.
