SIMPLEX SYSCON PVT LTD

Our company, Symplex Syscon, works with leading brands such as Delta, Siemens, and Panasonic. The IndusTech Expo has been a very good experience for us. The food arrangements were excellent, the services were satisfactory, and overall management from cleanliness to facilities was well organized.

Exhibitor Testimonials

VAS SPECTROMETER

We are a Mumbai-based organization dealing in spectrometers and metal testing machines for chemical composition analysis. Our long association with the IndusTech Exhibition has always been extremely fruitful. The experience has been excellent, and visitors come on their own, drawn by the strong name of the exhibition.

DELHI AUTOMATION

We specialize in sensor automation solutions, representing Italian and German brands, along with Renu PLC and HMI products, and panel manufacturing. We regularly participate in the IndusTech Exhibition and have always had a good experience. The footfall is very good, making it a beneficial platform for us.

TATA SOLAR

We are showcasing residential and industrial solar power projects through live demos, with installations across Faridabad and pan-India. All displayed products are from Tata Power, supported by our in-house financing and customer advisory team. The event has been wonderful with a very positive response, and we look forward to participating again next year at the same venue.

GLOBAL ENERGY SAVER

We manufacture high-capacity transformers, stabilizers, rectifiers, isolation transformers, and all types of transformers. We work with major corporate clients such as Maruti, Tata, Samsung, Panasonic, and Toyota, supplying our products across India. The exhibition has seen impressive footfall and positive engagement, making it a valuable platform for networking, business interactions, and industry visibility.

LAKSHMI MACHINE WORKS LIMITED

This is our first time participating in the exhibition. We have launched two new products here the Smart Mini Master and BMC (JV 84), both newly introduced in the LMW product portfolio. Considering the strong exhibition footfall and overall response, we chose to showcase these two products this year, and in the next edition, we plan to introduce even more. The response has been very good and truly commendable."
